[Music: V. Rose Words: R. Rose]

Look out I'm comin' at ya!
Comin' hard on you.
You threw down the gauntlet!
Now what ya gonna do?!

[CHORUS:]

Straight from the heart,
Heed my words well!
I won't sell out! Just give ya hell!
I'm a metal warrior.
Clear through my soul!
Don't buy the shit they're sellin'!
Don't give up control!

[CHORUS:]

Straight from the heart,
Heed my words well!
I won't sell out!
Just give ya hell!
Stay the fuck out of my face!
Don't get in my way!
Though these times are changin',
Wicked Angel's here to stay!

[CHORUS:]

Straight from the heart,
Heed my words well!
I won't sell out!
Just give ya hell!
