[Music: V. Rose Words: R. Rose]

I come a stealin', out of the night.
I won't bow down, I will stand and fight!
For heavy metal, the life I choose.
You won't break me, just try and you will lose!
[CHORUS:]
Ohhh Under the Gun
Metal outlaw, under the gun.
A steel defender, live by the knife.
Just try to break me, and I will take your life.
Live and let live, that's what I say.
But mess with my life, the price you'll have to pay.
[CHORUS:]
Ohhh Under the Gun
Metal outlaw, under the gun.
[BRIDGE:]
Live your life the way you want to.
I'll live mine!
If you try to rearrange me, you've crossed the line ...
Now. I ain't no badass, I'm just a man.
Fight when I have to, I will make a stand!
Live by my conscience, not by decree.
Don't hurt nobody, unless they fuck with me!!!
[CHORUS:]
Ohhh Under the Gun
Metal outlaw, under the gun.
