What should I do just to make you feel at home
To keep me from being left all alone
I want you to sing me a sweet lullabye
I want you to hold my hand
Hold my hand, hold my hand

These are the times I've longed for you
I asked if you feel the same way too
But you held me up, I missed your sweet hello
I wondered how could you treat me so cold

I gave up everything just to be there for you but
You held me up and you let these feelings go
Please give me a chance to say what's inside
Please promise me you'll never say goodbye
Say goodbye

I've always wanted to sing my sweet lullabye
I want you to hold my hand, hold my hand
Hold my hand

(Repeat Chorus)
(Adlib)

I gave up everything just to be there for you but
You held me up and you let these feelings go
Just give me a chance to say what's inside
And promise me you'll never say goodbye
Say goodbye

Say goodbye
Say goodbye
