Been wanting to tell you, for sometime now
Iâ€™ve seen you weep in silence, watched you force a
smile

I can tell, you feel distrust in all around you
But before you walk away, let me just say

Iâ€™ve walked the same path, youâ€™re threading now,
been there before

I know it all so well, tall stories Iâ€™ve been told
No need to mention the obvious lies, those times you
were left behind

When words were spoken of feelings shared, sheâ€™s
never there

Sheâ€™s never there

But Iâ€™ll live for your dreams,
Theyâ€™re crumbling I wonâ€™t let them fall
And Iâ€™ll make you believe
Itâ€™s real so you wonâ€™t have to cry anymore

Tears have fallen, time has chosen you to set me free
Dreams are dying, silly lying
You can now turn to me

(Adlib)

(Repeat Refrain 2)

(Repeat Chorus 2x)
