"Who's There?"

Visit "[Who's There?](#)" on MotoLyrics.com

When I ran around to the back door
To see if there's anyone there
There was not a sound of the footsteps
From a minute ago I swear
And I went to you pacing round
'Cause I can do nothing else
Moving through the bushes
Someone's shadowboxin' my house, yeah

I can't afford the comfort
This is the only way
Well I couldn't sleep all night
And I doubt I'll sleep today
And it doesn't matter where I stand
It's all the same to me
Hear the noises holler
Someone creeping around my dreams

Who's there (who's there)
I ain't scared (I ain't scared)
I'll even dare you (I'll even dare you)
To come on in
You will go (You will go)
This I know (This I know)
'Cause everyone before you did

Doesn't matter where I stand
It's all the same to me
Hear the noises holler
Someone creeping around my dreams

Who's there (who's there)
I ain't scared (I ain't scared)
I'll even dare you (I'll even dare you)
To come on in
You will go (you will go)
This i know (this I know)
'Cause everyone before you did, hey

Who's there (who's there)
I ain't scared (I ain't scared)

I'll even dare you (I'll even dare you)
To come on in
You will go (you will go)
This I know (this I know)
'Cause everyone before you did
