The gang I like the very best
Swagger from the east to the west
Set fight set fighter
Step into this swagger set
You're harder than you were before
I saw you step by the dance floor
Set fighter set fighter
Nobody here could keep the score
The gang that I like yeh the gang I like the best
Holler in the east & they swagger in the west
The gang that I like yeh the gang I like the best
Holler in the east & they swagger in the west
Holler-swagger holler-swagger

Like a set fighter set fighter set fighter
Like a set fighter set fighter

You got the heart you got the beat
You make me go from week to week
You got the heart you got the beat
You make me go from week to week

Wherever we do go yeh we look like a fleet
Cause we got the heart & we got the beat
Wherever we do go yeh we look like a fleet
Cause we got the heart & we got the beat
Heart-beat heart-beat
Heart-beat heart-beat

You got by looking like a fleet
You got the heart you got the beat
Set fighter low rider
You make me go from week to week
You're a gang retard no gang at all
Big you are big you fall
Set fighter set fighter
You never move when the man call

Run run set fighter run
Run like a set fighter
A run run run run-a-run-a-run I say run
Run like a set fighter
