Black Chrome
Shiny and clean
She's got a V8 power machine
She's got everything
That a woman should have

Jet curves
Hydraulic hips
She's got a love turbo electronic clit
She's got everything
A man wants one ride
She knows when you're done

Car-Lyle (Aaaaah) is gonna run you down (Ooooo)
Car-Lyle (Aaaaah)
No matter where you go
No one makes a roll like Car-Lyle

Power loaded
So easy to start
Don't mind being double parked
She's everything
Ultra chick
One ride
Hooked on her kiss

Car-Lyle (Aaaaah) is gonna run you down (Ooooo)
Car-Lyle (Aaaaah)
No matter where you go
No one makes a roll like Car-Lyle
