Oh no baby your love's killing me.
I know I'm gonna get you someday.

Treat me bad and bring me pain.
Making me feel like I'm insane.
Watching you day and night, but that's hardly a crime.

I don't think all this is fair.
Putting me away on mental care.
Feeding me sedative pills until I'm out of my mind.
I'm going crazy.

Oh no baby your love's killing me.
I know it will get me some day.
I'm banging the walls but I just can't penetrate.
Oh no it's gonna blow me away.
I know I'm gonna get you someday.

My room mate was a businessman.
Killed his friend with a frying pan.
Now he's been walked in the yard two times a day.

This place gives me the creeps
and the nurse from hell is getting down on me.
She looks like you in a cold sadistic way.
(And she says) "I'm gonna get you".

Oh no baby your love's killing me.
I know it will get me some day.
I'm banging the walls but I just can't penetrate.
Oh no it's gonna blow me away.
I know I'm gonna get you someday.

If my mind is getting clear.
I'm gonna get me out of here.
Then there's nothing more to fear
for you.

Oh no baby your love's killing me.
I know it will get me some day.
I'm banging the walls but I just can't penetrate.

Oh no it's gonna blow me away.
I know I'm gonna get you someday.

Oh no baby your love's killing me.
I know it will get me some day.
I'm banging the walls but I just can't penetrate.
Oh no it's gonna blow me away.
I know I'm gonna get you someday.
