Come on, come on, come on
Love is all over me (Over me)

I don't know if this is what it seems
Is it real or just a fantasy?
And to please is all you every do
Making all my fairytales come true

Come on, come on, come on
Love is all over me (Over me)
You are the only one
Living in my fantasy, in my dreams

Scared of waking up and you'll be gone
Face the truth and I'll be all alone
Baby, let's get into the groove
Show me all your turning moves

Come on, come on, come on
Love is all over me (Over me)
You are the only one
Living in my fantasy, in my dreams

Come on, come on, come on
Love is all over me (Over me)
You are the only one
Living in my fantasy, in my dreams

In my dreams

If this ain't real, don't wake me up
I don't ever wanna stop

Come on, come on, come on
Love is all over me
You are the only one
Living in my fantasy, in my dreams

Come on, come on, come on
Love is all over me
You are the only one
Living in my fantasy, in my dreams

Come on, come on, come on
Love is all over me
You are the only one
Living in my fantasy

In my dreams
