they say a man is dead
I shot him in the head
and now my life is in their hands

I say I'm innocent
but they don't understand
and now they sentence me to death

its all over when the hangman roll the dice
all over in a minute of my life

I'll remember you
when my days are through
I am running out of time

now the day has come
and I'm on my own
there is nowhere I can hide
I'm out of time

your touch and sweet embrace
always bring me grace
I'll never see your face again

I wish that you where here
to make it disappear
can't hide my head in the sand

its all over when the hangman roll the dice
all over in a minute of my life

I'll remember you
when my days are through
I am running out of time

now the day has come
and I'm on my own
there is nowhere I can hide
I'm out of time

(instrumental)

all over when the hangman roll the dice
all over in a minute of my life

I'll remember you
when my days are through
I am running out of time

now the day has come
and I'm on my own
there is nowhere I can hide
out of time.... (running out of time)

(nowhere I can hide) I'm out of time
