"And You"

Layin' under a blanket of stars
Listenin' to the crickets talk
Wrapped up in each other's arms
No cares at all

And you
Smilin' so sweet
And you
Sayin' you love me

All I know is what I'm feelin'
It's got to be real
'Cause I can't hardly breathe
And there's no where on this earth
I'd rather be
Than right here
Just me and you

When llight brushes across your skin
I can't help but stare
Everywhere that I've never been
You'll take me there

And you
Get me lost in your eyes
And you
Fit me just right

All I know is what I'm feelin'
It's got to be real
'Cause I can't hardly breathe
And there's no where on this earth
I'd rather be
Than right here
Just me and you

Holdin' me
(And you)
Endlessly

All I know is what I'm feelin'
It's got to be real

'Cause I can't hardly breathe
And there's no where on this earth
I'd rather be
Than right here
Just me and you

Smilin' so sweet
Sayin' you love me
