Where did I begin  
turning through the pages  
But I don't know what I've read  
Tread is wearing thin  
everything's familiar  
but I don't know who I am  
Do you know where you're going?  
Don't even know where I've been  
Watching moments pass  
I wanna run away from it  
But I still don't take that step  
Locked inside the glass  
an empty box of memories  
and a heart full of regret  
Do you know where you're going?  
Don't even know where I am

I don't wanna miss  
anymore of this  
Letting go I wanna feel  
all of it  
I'm hanging on every word you say

I gotta keep join'  
can't stay where I am  
I don't wanna miss  
anymore of this  
Letting go I wanna feel  
all of it  
I'm hanging on every word you say

I don't wanna miss  
anymore of this  
Letting go I wanna feel  
all of it

I'm hanging on every word you say

what's left in the dark  
can still be discovered

I won't give up  
I won't give up no no

what's left in the dark  
can still be discovered

I won't give up  
I won't give up  
Oh no
