Oh, my baby, when you're older  
Maybe then you'll understand  
You have angels that stands around you shoulders  
'Cause at times in life you need a loving hand

Oh, my baby, when you're prayin'  
Leave your burden by my door  
You have Jesus standing by your bedside  
To keep you calm, keep you safe, away from harm

Worry not my daughters  
Worry not my sons  
Child, when life don't seem worth livin'  
Come to Jesus and let Him hold you in His arms

Oh, my baby, when you're cryin'  
Never hide your face from me  
I've conquered hell and driven out the demons

I have come with a life to set you free

Worry not my daughters  
Worry not my sons  
Child, when life don't seem worth livin'  
Come to Jesus and let Him hold you in His arms

Oh, oh  
Oh, oh  
Yeah, yeah, yeah

Oh, my baby, when you're dying  
Believe the healing of His hand  
Here in Heaven we will wait for your arrival  
Here in Heaven you will finally understand  
Here in Heaven we will wait for your arrival  
Here in Heaven you will finally understand

Worry not my daughters  
Worry not my sons  
Child, when life don't seem worth livin'  
Come to Jesus and let Him hold you in His arms
