(Maybe you should rattle the cage)

Well, you should've heard the way  
I've been talking to myself  
Treating her like common trash  
On the side of the road

And you should've seen the ride  
I was taking straight to hell  
Handing my soul  
To the likes of the devil

Sometimes it's hard to know  
That you need to be saved  
'Til you hit the bottom  
And rattle that cage  
Sometimes you just gotta keep  
Digging away  
Until you break through  
To the light of day

I really didn't care  
'Cause I was trying to hurt myself  
A sticky situation  
I'm still trying to work it out

And I didn't want to know  
That I was the one to blame  
Pointing my finger  
Tryin' to push all the blame away  
Sometimes it's hard to know  
That you need to be saved  
'Til you hit the bottom  
And rattle that cage  
Sometimes you just gotta keep  
Digging away  
Until you break through  
To the light of day

I don't wanna die this way  
I don't wanna die this way  
I don't wanna die this way

I know Jesus is alive  
And He's saving me everyday  
It just took a little while  
To figure out I had to pray

Sometimes it's hard to know  
That you need to be saved  
'Til you hit the bottom  
And rattle that cage  
Sometimes you just gotta keep  
Praying away  
Until you break through  
To the light of day  
The light of day  
The light of day
