These hand me downs I am wearing  
Are worn at the knee, color faded, hey  
And all the little children are laughing  
I'm trying to find a reason to keep from cryin', hey

I'm just a little girl, I'm Rageddy Ann  
Making believe I'm happy, hey  
Rageddy Ann, falling apart at the seams

And tears that I have covered with patches  
Red and yellow patterns left in an old matches, hey  
Where I have them sewn with black stitches  
Are made exposed to be soiled and tattered, hey

I'm just a little girl, I'm Rageddy Ann  
Making believe I'm happy, hey  
Rageddy Ann, falling apart at the seams  
So when did I get so broken, I wouldn't notice  
Everything just break away from me  
Hey, when did I get so broken, I wouldn't notice  
Everything important leaving me  
Falling apart at the seams

And all the busy people keep walking away  
Like they can't see me or anything, hey  
Everyday it gets a little harder  
To believe in magic and people, hey

I'm just a little girl, I'm Rageddy Ann  
Making believe I'm happy, hey  
Rageddy Ann, falling apart at the seams  
Falling apart

Feel so lonely, yeah  
Feel so [Incomprehensible], yeah
