Verse

What does it matter what's going on outside
With or without us.
It will keep going on just fine.
Got a little Champaign
and plenty of time.

Chorus

What if the world stops turning
What if the sun stops burning.
Would you stay here falling in love
Slowly the world stopped turning
And if the sun stopped burning
We'll just keep on falling in love

Verse

What could be better
then just lying here with you
We got each other
we got a million years or two
This is a fine time to kick of your shoes.

Chorus

What if the world stops turning
What if the sun stops burning.
Would you stay here falling in love
So let the world stop turning
And let the sun stop burning
We'll just keep on falling in love

Chorus

What if the world stops turning
What if the sun stops burning.
We'll just stay here falling in love
So let the world stop turning
And let the sun stop burning
We'll just keep on falling in love.
We'll just stay here falling in love.
