Checking out my wigwam, wigwam, wigwam
Checking out my boo, boo, boo
Checking out my wigwam, wigwam, wigwam
Checking out my melody, my melody, my melody, my
melody

Somebody called the cops
Now check about a buck
Check about a buck, about a buck
Somebody called the cops
Now everything just sucks
Everything just sucks, sucks, sucks

Checking out my wigwam, wigwam, wigwam
Checking out my boo, boo, boo
Checking out my wigwam, wigwam, wigwam
Checking out my melody, my melody, my melody, my
melody

Somebody called the cops
Now check about a buck
Somebody called the cops
Now everything just sucks
Everything just sucks, sucks, sucks

Checking out my wigwam, wigwam, wigwam
Checking out my boo, boo, boo
Checking out my wigwam, wigwam, wigwam
Checking out my melody, my melody, my melody, my
melody
