Well, a young marriage vow, you know, it's very sacred
The man put us together, now, you want to make it
Stick together
Come on, come on, stick together.

You know, you made a vow, not to leave one another,
never
Well, ya never miss your water till your well runs dry
Come on, baby, give our love a try, let's stick together
Come on, come on, stick together
We made a vow, not to leave one another, never.

Well, ya never miss your water till your well runs dry
Come on, baby, give our love a try, let's stick together
Come on, come on, stick together
You know, we made a vow, not to leave one another,
never.

It might be tough for a while, but think of the child
Cannot be happy without his mom and his pappy
Let's stick together
Come on, come on, stick together
You know, we made a vow, not to leave one another,
never.
