Together we will stand,
Divided well fall,
Come on now people lets get on the ball,
And work together,
Come on, come on lets work together,
Now, now people,
Say now together we will stand,
Every boy, girl, woman and man,

Before, when things go wrong,
As they sometimes will,
And the road you travel, it,
Leads all uphill,

Lets work together,
Come on, come on lets work together,
Now, now people,
Say now together we will stand,
Every boy, girl, woman and man, ah yeah

Ah, looky here, looky here,
Sock it to me baby, mercy,

Make someone happy,
Make someone smile,
Lets all work together,
And make life worth while,

Lets work together,
Come on, come on lets work together,
Now, now people,
Say now together we will stand,
Every boy, girl, woman and man,

Two or three minutes,
Two or three hours,
What do they mean now, now,
In this life of ours,

Lets work together,
Come on, come on lets work together,
Now, now people,

Say now together we will stand,
Every boy, girl, woman and man, ah yeah,
Ah looky here, looky here,
