Watch me! watch me!  
the belle of the ball  
my heart  
my hand and everything I own  
and we are the boys  
with new shiny shoes  
we've seen 'em all  
and we've chosen you  
now no one will find your limit  
girls from Roedean  
girls from Shipley  
girls from Hounslow  
girls from Whitby  
you're a candied queen  
and let me show my darling what that means  
watch me! watch me!  
hatch me! hatch me!  
a girl before  
bouncing round behind the bedroom doors  
and we are the boys  
who'll drape you in jewels  
cut off your hair  
and throw out your shoes  
cause baby  
you won't need them  
where you'll be  
girls astride me  
girls beneath me  
girls before me  
girls between me  
you're birthing machines  
and let me show my darling what that means  
hatch me! hatch me!  
and baby  
turns out I'm evil  
in all my dreams  
girls who'll clothe me  
girls who'll feed me  
girls who want me  
girls who need me  
all you pretty things waiting for somebody

number my babies and my broken body
