I was angry and brash as a bull
You were devastatingly beautiful
I was crude, I was lewd, I was rude
I was not in the mood

It's a peculiar stance
It's me reaching for the olive branch

Yes, I will do all the things
That you ask of me
I said yes, I will, come on, darling
I have no fear

And though the way is dark
The hands will grab on
I'll remember this and only this
Yes, I will

Tearjerker, shadow lurker
Wonder worker, reach a bit further
Tearjerker, shadow lurker
Wonder worker, reach a bit further

Will you by any chance
Remember the olive branch?

Said yes, I will do all the things
That you ask of me
Oh yes, I will, come on, darling
I have no fear

And though the way is dark
The hands will grab on
I'll remember this and only this
Yes, yes, I will

Tearjerker, shadow lurker
Wonder worker, reach a bit further
Tearjerker, shadow lurker
Wonder worker, reach a bit further

Will you by any chance?

Yes, I will
