Oh when I'm olden I'll hear this moment and I'll laugh  
hahahaâ€¦  
I've rallied, rucked over and rabble roused have I not?  
I've given lung, tongue and sung have I not?  
I've meant what I've said and I've slept in soiled bed  
have I not?  
With a heart as big as a dustbin lid have I not? HAVE I  
NOT?

But I'm not a soft touch and I won't be seen as such, so  
full withâ€¦  
fierce fathomless love, I spit and have spats to be  
tough,  
show I'm not sappy and stuffâ€¦

Though as a boy I had bowl-cut brilliance that could  
carve up  
any conundrum,  
but now dunno how that could possibly have been.

I've shorn and I've sheened and I've Brylcreemed have  
I not?  
I've brawn and I've brain and of both I've shame have I  
not?  
Though I've had them straddle me wantingly have I  
not?  
And I've length of loiny manliness have I not? HAVE I  
NOT?

But I'm not a soft touch and I won't be seen as such, so  
full withâ€¦  
fierce fathomless love, I spit and have spats to be  
tough,  
show I'm not sappy and stuffâ€¦

Though as a boy I had bowl-cut brilliance that could  
carve up  
any conundrum,  
but now dunno how that could possibly have been.

With bodies rid of retarding midweek hardship,

we bellow baritone to our favourites, like life depends  
on it!  
I hold my brothers in breathtaking clinches  
this is my heart's hub, the hot, wild, fug of the club of  
fathomless love,  
I spit and have spats to be tough, show I'm not sippy  
and stuffâ€¦

Though as a boy I had bowl-cut brilliance that could  
carve up  
any conundrum,
