The Red Express is leaving now  
Leave your worries behind somehow  
You've earned the right  
Paid the price  
Punch your ticket to paradise  
To paradise  
Weigh the good  
Against the sins  
Now your nightmare's  
Ready to begin

Siberian vacation  
A Hollywood wasteland  
Hellbound invitation  
Siberian vacation

A glamour world  
To the Arctic Sea  
Stake the place, you wanna be  
A frozen land, of endless time  
Choose the ticket to paradise  
To paradise  
Weigh the right  
Against the wrong  
Now you have arrived  
Where you belong

Siberian vacation  
A Hollywood wasteland  
Hellbound invitation  
Siberian vacation

To paradise, paradise  
Weigh your good, against your sins  
Now your nightmare's  
Ready to begin

Siberian vacation  
A Hollywood wasteland  
Hellbound invitation  
Siberian vacation

Siberian vacation
