Tell me what happens when
She looks in your eyes
Your innocence
Its lost in the goodbye

I know I said I'm sorry for that
I know I said I'm sorry for that

Tell me what happens when
You're so pacified
And shatters all of the eden
Your soul left fortified
And though I said I'm sorry for that
And though I said I'm sorry for that

Have I become what I hate
And though I don't even maske

Please teach me to break, You taught me to break
I call on Your Name, I call on Your Name
