Here comes summer
School is out oh happy day
Here comes summer
Gonna grab my girl and run away
If she's willing
We'll go skating right away
Oh let the sun shine bright
On my happy summer home

Here comes summer
Almost June the sun is bright
Here comes summer
Gonna see her every night
It's the greatest
Lots more time to hold her tight
Oh let the sun shine bright
On my happy summer home

School's not so bad the summer's better
It gives me more time
To see my girl
Walks through the park beneath the shiny moon
When we kiss
She makes
My head swoon

Here comes summer (here comes summer)
Feel her lips so close to mine
Here comes summer (here comes summer)
When we meet her eye will shine
It's the greatest (it's the greatest)
Let's have summer all the time
Oh let the sun shine bright
On my happy summer home

Here comes summer (here comes summer)
School is out oh happy day
Here comes summer (here comes summer)
Gonna grab my girl and run away
If she's willing
We'll go skating right away
And let the sun shine bright

On my happy summer home

Here comes summer (here comes summer)

Almost June the sun is bright

Here comes summer (here comes summer)

Gonna see her every night
