Tell me now, what's love is  
The holy war's built baricade  
Between our hearts  
Waiting for another day  
I'm praying for peace on earth  
But why would someone  
Believe in death not life  
Here I am  
I wait for your love  
Like an angel  
I save light in our hearts  
Tell me now, if you can  
Where was God  
When you changed  
Your guitar for a sword  
I listen to the voice of earth  
I feel her pain  
When I hear her  
Call for love  
Like a child in the dark  
Here I am  
I wait for your love  
Like an angel  
I save light in our hearts
