She sat all alone on a bus out of Beaumont  
The courage of just 18 years  
A penny and quarter were taped to a letter  
And momma's goodbye in her ears

She watched as her high school faded behind her  
And the house with the white picket fence  
Then she read the note that her momma had wrote  
Wrapped up with 26 cents

When you get lonely, call me  
Anytime at all I'll be there with you, always  
Anywhere at all  
There's nothing I've got that I wouldn't give  
And money is never enough  
Here's a penny for your thoughts  
A quarter for the call  
And only your momma's love

A penny and a quarter buys a whole lot of nothing  
Taped to an old wrinkled note  
And when she didn't have much she had all momma's  
love  
Inside that old envelope

When you get lonely, call me  
Anytime at all I'll be there with you, always  
Anywhere at all  
There's nothing I've got that I wouldn't give  
And money is never enough  
Here's a penny for your thoughts  
A quarter for the call  
And only of your momma's love

Oh it's been years since momma's been gone  
But when she holds the coins she feels her love just as  
strong

When you get lonely, call me  
Anytime at all I'll be there with you, always  
Anywhere at all  
There's nothing I've got that I wouldn't give

And money is never enough  
Here's a penny for your thoughts  
A quarter for the call  
And only of your momma's love

Here's a penny for your thoughts  
Quarter for the call  
And only your momma's love
