I've been lyin' in the shadows
In the corner of my room
Turned off the lights
Gave up the fight
There was nothing I could do
Then I just woke up one morning
And I put on my walkin' shoes, and
CHORUS: I'm back on my feet again
Had all the heartache one woman can stand
Got through the night
[Back On My Feet lyrics on]
Took back my life
I'm back on my feet again.
I wasn't sure if I could make it
Had to crawl across the floor
Through the broken glass
Of my shattered past
Pushed myself on through the door
I took a step out of the darkness
I don't need it anymore, no
I just woke up one morning
And I put on my walkin' shoes, now
