Let's just say it's raining  
And you come in where it's dry  
And we strike a conversation  
While the storm is rolling by  
Do you think that you  
Could fall in love with me  
Hypothetically  
We may be somewhere walking  
And I try to steal a kiss  
Would you recognize the moment  
For the magic that it is  
Could you imagine just how sweet  
That kiss could be  
Hypothetically  
Am I dreamin'... dreamin'  
Do the decent thing and let me know  
But if you believe in fate  
Why should we speculate  
Let's go ahead and carve this thing in stone  
We're standing in a garden  
And we watch our children play

And the love we've shared between us  
Has grown stronger everyday  
Do you think that that's a possibility  
Hypothetically
