People worry about you

Fallin' in love with me

They're getting inside your head

Everybody knows what everybody else needs

They say I'll leave you lonely

Baby that's just not so

I'll be holdin' on to you, till you let go

(chorus)

Gonna tell you I love you

It's what's in this heart of mine

Let's dispense with the moon and stars

And all of those other cliché lines

I never could define forever

But baby now I know

I'll be holdin' on to you, till you let go

Whoa, Whoa I hope

That you're never gonna turn me loose

'Cause I'm hangin' up my walkin' shoes

Staying here with you

As sure as the sun will rise

Just like the river flows

I'll be holdin' on to you

Holdin' on to you

Holdin' on to you, till you let go

Baby now I know

I'll be holdin' oh yeah, yeah

I'll be holdin' on to you

'Cause I'm hangin' up my walkin' shoes
