Is it really over?
Still see your face.
Like a precious painting, I just can't replace, your smile.
Feels like you've been gone for a while.

I keep waiting and waiting on my front porch,
Even though I know you'll never come home.
It's like a pencil without an eraser,
I can't undo the mistakes I made girl.

My world is shaking.
Foundation breaking.
I keep pinching, but I'm not dreaming.
Reality is that you're gone.

We used to be like two birds,
Souring the sky.
Our hearts were intertwined.
Just you and I.
We used to reach heights,
That love couldn't find.
Now I see you're flying away

We used to be like two birds,
Souring the sky.
Our hearts were intertwined.
Just you and I.
We used to reach heights,
That love couldn't find.
Now I see you're flying away

It can't be over,
No not this way.
And baby I was a fool,
I shouldn't have played those, games.
No I shouldn't have played those,
No I shouldn't have played those, games.

I keep waiting and waiting on my front porch,
Even though I know you'll never come home.
It's like a pencil without an eraser,
I can't undo the mistakes I made girl.

We used to be like two birds,
Souring the sky.
Our hearts were intertwined.
Just you and I.
We used to reach heights,
That love couldn't find.
Now I see you're flying away

We used to be like two birds,
Souring the sky.
Our hearts were intertwined.
Just you and I.
We used to reach heights,
That love couldn't find.
Now I see you're flying away
