Mama  
Tell the girls I'm gone  
To where the wicked  
Don't get no rest  
Living 9 to 5  
Is for the broken hearted  
I don't fear no love  
Beauty is just a test

Midnight keeps  
Falling too early  
The weekend keeps  
On coming too fast  
I been taking my steps  
Downtown at The Roxy  
I sold my soul  
Just to make it last  
Sweet Lucy  
Comes walking closer  
Next to me  
And by the lights off  
The mirrorball  
I finally see  
She ain't so pretty  
Not like what those  
Other ghouls say  
"I'm sorry Lucy"  
I turn my head  
And walk away

Chorus:  
Dancing  
I've been dancing  
Dancing with the dead  
Sliding  
I keep sliding further  
Guess it's time  
That I check my head

Get away  
Is what you say  
But it don't matter

Much to me now  
These souls  
That I hang with are  
The living dead  
And it's too late  
I'm buried 6 feet down  
As the nightbreed  
Fall upon the city streets  
The dying crawl out  
From underneath  
Their shelter from the heat  
They drain your lifeline  
They tell you  
That you got to stay  
Goodnight sunlight  
Into the dark I fade away

(Chorus)

Bury everything I know  
Everything I say

(Chorus 2x)
