The river had run
From a faraway place
Secrets carried deep
Within the water
Wonderboy sang
A lonely serenade
Inspiration
Finally brought her

He whispers her name
She holds her teddy tight
From so faraway tonight

The Princess appeared
From a faraway place
Dancing just like magic
Before Wonderboy
Her diamond eyes
Held a future so bright
A Soviet smile
Never left no choice

He whispers her name
She holds her teddy tight
From so faraway tonight

Miles away, leagues away
Another world away tonight
Miles away, leagues away
Another world away tonight

Wonderboy still sings
From a faraway place
The Princess owns
His thoughts commands
His heart tonight
He whispers her name
And the music plays
In her bed
She holds her teddy tight

From so faraway tonight

From so faraway tonight
From so faraway tonight
He whispers her name
She holds her teddy tight
