Hey, hey, yeah

You're mama's baby
You're daddy's little girl
But they don't know
You got trouble in mind
Late night getaway
We stumble into
Into the fires
Trouble in mind

Hey, hey, yeah

Forget about
What your girlfriends say
Forget about
What your preacher prays
'Cause they all know
I got trouble in mind
I pull you closer now
Hey, hey, hey
You start to shiver
Into the fires
Trouble in mind

One by one lovers
Will become truth
Two by two
We all fall line
Give me trouble in mind

Hey, hey, yeah

You're mama's baby
Daddy's little girl
They don't know
You got trouble in mind
We got trouble in mind
Trouble in mind
