Won't let it cool me out
Won't let it back me off
Cannot question why I have got to run
Lost in the headlights on the longest road
Don't try to cool me out to find where I have gone

So you wear the butterfly 'cause I got the remote
control
When you walk on by
Yes
I will turn you on

Take all of your things
Don't take all your thoughts
You think of my hands darling
Yeah
I think of your touch
This is no goodbye just a distance to obey
'Cause we move just like water even when we go down
in flames

So you wear the butterfly 'cause I got the remote
control
When you walk on by
Yes
I will turn you on
On
On
On
On

So you wear the butterfly 'cause I got the remote
control
When you walk on by
I will turn you
I will turn you on
On
On
On

We move just like water even when we go down in

flames

We move just like water even when we go down in
flames
