I have a girl that feels like a carnival
I have a girl you smell when shes cold
all my friends are pissed and they talk to me like I have
dissapeared
and she has hurricanes in her words and thoughts
she swallows thunder and coughs up dust
bigger than a movie and quick as a rumor, I can't
hold on

if she goes to jail, I will always call
the warden to make sure she's alive

there's no one fast enough to slow her down
there's no one strong enough to stand her ground
if she wants to fight, I will get my glove
I will go all night, oh yes I will

she has jackknife lips cutting back and forth
she has a switchblade tongue, I've been stabbed of
course
if you kiss her ???, you'll never be the same, you'll
just fall apart

if she gets parole, what do you know
you better run for your life

there's no one fast enough to slow her down
there's no one strong enough to stand her ground
if she wants to fight, I will get my glove
I will go all night, oh yes I will

I will go all night, oh yes I will

la dee dah, da da di da di da dum
la dee dah, da da di da di da dum
la dee dah, da da di da di da dum
la dee dah, da da di da di da dum

there's no one fast enough to slow her down
there's no one strong enough to stand her ground
if she wants to fight, I will get my glove
I will go all night, oh yes I will
