What do you think about love?
What do you think about love?
Does it bring joy or pain
Or rush to your heart like sugar cane?

What do you think about love?
What do you think about love?
Does it make you smile or cry
Or make it hard to say goodbye?

It doesn't matter where you've been or where you're
from
Love has a way of finding you in your heart.

What do you think about love?
What do you think about love?
Does it lie shallow or deep
Or cover you while you sleep?

What do you think about?
What do you think about?
When you're all alone, what do you think about?
When you're all alone, what do you think about?
When you're all alone, what do you think about?
When you're all alone, what do you think about love?
