Homeless Man ain't got no rent  
Asking you for 30 cent  
If you got it, be a Gent  
And drop it here my friend

You'll crank dat homeless man  
You'll give me 50 cent  
You'll crank dat homeless man  
You'll give me 30 cent

Homeless man don't brush his teeth  
And I smell like Clorox bleach  
Shower zero times a week  
LOOK AT MY FEET

You'll crank dat homeless man  
You'll crank dat homeless man  
You'll crank dat homeless man  
You got some crack

Homeless man up in your yard  
Watch me sleep & watch me sh\*t  
I'm starving yo  
And dodo tastes like chocolate  
Got no pride, now watch me beg  
Begging for some lotion man  
When I crank dat homeless man  
I pull out my sign and crank that thang  
Now You'll  
Don't act like you don't know me  
Cause if you give me crack I will steal yo as\* this trophy  
You see me at your local bus stop  
Yes I sleep there everyday  
People hold their nose cause I don't bath frequently
