I've been around the world in the pouring rain
feeling out of place, I'm feeling strange.
Take me to a place where they know my name,
where everyone knows my name...

Check it Check it out while I'm might do my thing,
King of the floor, king of the swing
Play a little beat, I'll be your dancing machine,
Play a little jam, I'll come alive, alive, alive

{They've got jungle fever, show them some love, show
them love...}

Yeah, Yeah, Yeah, Yeah, Yeah, Yeah, Yeah...

This is my home, This is my home,

King of the throne, This is my home,
This is my home, This is my home,
This is my home...

See I've been traveling, been traveling forever,
but now that I'm finally home, feels like I'm in heaven,

See I've been traveling, been traveling forever,
but now that I'm home, feels like I'm in heaven, heaven,
heaven.....

Hey, hey, hey, yeah, ya, I'm a work it, work it out, I'm,
(Hey Ya, Hey Ya) I'm, (Check It, Check It out) I'm okay
now, (Hey Ya, Hey Ya)

Hey, hey, hey, yeah, ya, I'm a work it, work it out, I'm,
(Hey Ya, Hey Ya) I'm, (Check It, Check It out) I'm okay
now, (Hey Ya, Hey Ya) T'm.....
