Chunky, chunky, chunky, chunky, chunky

I like them big, I like them chunky

(Chunky)

I like them big, I like them plumpy

(Plumpy)

I like them round, with something, something

(Something)

They like my sound, they think I'm funky

(Funky)

My name is Moto Moto, yeah, say it

Say it, girl, Moto, Moto

Say it again, Moto, Moto

I'm nice and smooth, so nice and sassy

(Sassy)

None of the hippo's here

Don't wanna get next to me

I like them chunky

Chunky, chunky, chunky, chunky, chunky

And plumpy

Plumpy, plumpy, plumpy, plumpy, plumpy

Chunky, chunky, chunky, chunky, chunky

And plumpy

Plumpy, plumpy, plumpy, plumpy

I like them hippos, their skin no white

(Their skin no white)

I like the attitude, I like their style

(I like their style)

The way they walk, walk, the way they talk

(The way they talk)

I like the whatever appetite

They eat a shark, shark

And when the dog barks

(Woof, woof)

They eat them too

I love every inch, oh, yes I do

I like them chunky  
Chunky, chunky, chunky, chunky, chunky  
And plumpy  
Plumpy, plumpy, plumpy, plumpy, plumpy

Chunky, chunky, chunky, chunky, chunky, chunky  
And plumpy  
Plumpy, plumpy

Ain't nothing wrong with loving chunky  
(Chunky)  
I like them funny, I like them spunky  
(Spunky)

I like them witty, I like them smart  
(With brains)  
Girl, I like your big  
(What you say?)  
Your big ol' heart, what?

Girl, your're crazy, she drive me crazy  
(Crazy)  
I love my lady, she nice and shapely  
(Shapely)  
She nice and spacey, take so much space up  
Like a big ol' space ship, yeah so gracious

It's all in the way she move  
It's all in the way she move  
It's all in the way, it's all in the way  
It's all in the way she move

What she do? What she do?

What she do? What she do?  
What she do? What she do?  
What she do? What she do?  
What she do? What she do?

What she do? What she do?  
What she do? What she do?  
What she do? What she do?  
What she do? What she do?

What she do? What she do?  
What she do? What she do?  
What she do? What she do?  
What she do? What she do?

What she do? What she do?  
What she do? What she do?  
What she do? What she do?  
What she do? What she do?

Chunky, chunky, chunky, chunky, chunky, chunky  
And plumpy  
Plumpy, plumpy, plumpy, plumpy, plumpy

Chunky, chunky, chunky, chunky, chunky, chunky  
And plumpy  
Plumpy, plumpy, plumpy, plumpy, plumpy

Ain't nothing wrong  
(Chunky)  
Ain't nothing wrong with lovin' chunky  
(Chunky)

(Plumpy)  
And plumpy  
Plumpy, plumpy, plumpy, plumpy, plumpy, plumpy
