Lyrics:

Ah que linda
bossa nova, samba
coraÃ§Ã£o do Brasil, and now it's the new style
get it get it get it get it get it get it girl
get get get get get get get it girl
get it get it get it get it get it get it girl
get get get get get get get it girl
take her take her to the floor
show her show her how you roll
drop it drop it drop it low, drop it...
make-make-make it funky in Brazil
do that samba, don't stay still
come on up, we keep you dancin'
super groupers how you feel
we gonna rock it in the street, till we see the morning
sun
we aint stoppin' in the carnival, we party on and on
rock it on and on, on and on
that's just how we do
and my beats be pumpin' loud like samba schools to
make you move
this party will never end, no baby it's never over
all the millions of brazilians come and make me say
"gostoso"
get it get it get it get it get it get it girl
get get get get get get get it girl
get it get it get it get it get it get it girl
get it get it get it get it get it get it girl
get get get get get get get it girl
take her take her to the floor
show her show her how you roll
drop it drop it drop it low, drop it, drop drop it low
take her take her to the floor

show her show her how you roll
