I'm alright, I'm alright
I'm alright, I'm fantastic
I'm alright, I'm alright
I'm alright, I'm fantastic, I'm all

Nine years of lovin' you
That's now flushed down the drain
Six years was a bundle of joy
The last two was pain

Too immature to handle love
We were just playin' games
You used to say I was your everythin'
Now, you can't say my name

I never thought that I could survive
Without you in my life
If you was wonderin' about how I'm doin'
Baby, I'm doin' alright

But it don't even look like you would cry
If I was to up and die, die tomorrow
But that's alright, girl 'cause

(I'm alright)
Don't even worry 'bout me
(I'm alright)
Don't even worry 'bout me

(I'm alright)
I'm doin' good now
(I'm fantastic)
Super duper, baby

(I'm alright)
Don't even worry 'bout me
(I'm alright)
I'm super duper, baby

(I'm alright)
I'm doin' good now
(I'm fantastic)

Yeah
(I'm all)

Six months and a couple of weeks
And not one call from you, girl
Three months after we broke down
I moved up in the world

I wanna know what's goin on
What's goin' on in your life
I know it's really hard to be my friend
When you were gon' be my wife

We used to love our relationship
But now we just can't relate
I understand why you had to go
And change your love for me into hate

And that's why I believe you wouldn't cry
If I was to up and die, die tomorrow
But that's alright, girl 'cause

(I'm alright)
Don't even worry 'bout me
(I'm alright)
Don't even worry 'bout me

(I'm alright)
I'm doin' good now
(I'm fantastic)
Super duper, baby

(I'm alright)
I'm doin' good now
(I'm alright)
Fantastic

(I'm alright)
Fantastic
(I'm fantastic)
Yeah
(I'm all)

Fantastic, fantastic, fantastic, fantastic
Fantastic, fantastic, fantastic, fantastic
Fantastic, fantastic, fantastic, fantastic
Fantastic, fantastic, fantastic, fantastic
