Hey you, you in the mirror on the wall  
Yes you, will you listen after all  
Iâ€™ve been hurt, see my wound  
But tonight I wanna sing, I wanna dance under the  
moon  
Yes tonight Iâ€™m gonna sing, Iâ€™m gonna dance  
Iâ€™m gonna be happy

Hey you, donâ€™t pretend that you donâ€™t care  
Yes you, youâ€™ve been tripping here and there  
And Iâ€™ve been used, been abused  
But tonight I wanna sing, I wanna dance, thereâ€™s no  
excuse  
Yes tonight Iâ€™m gonna sing, Iâ€™m gonna dance  
Iâ€™m gonna be happy

Hey, hey, hey you  
Yeah you, you in the mirror in the wall  
Yes you, will you listen after all?  
Iâ€™ve been hurt, see my wound  
But tonight I wanna sing, I wanna dance under the  
moon  
Yes tonight Iâ€™m gonna sing, Iâ€™m gonna dance  
Iâ€™m gonna be haWpy
