(Verse)

All day, girl, I had you on my mind  
And Iâ€™m thinking about maybe later  
Me and you can spend some time.

And you can spend my money,  
Me and you can feel alive.  
And letâ€™s forget about the world,  
Cause baby, this is you and I.

(Chorus)

Letâ€™s get crazy, alright,  
Come on, letâ€™s go.  
Crazy, alright,  
Come on, letâ€™s go.  
Crazy, alright,  
Come on, letâ€™s go.  
Crazy, alright,  
Come on, letâ€™s go,  
Letâ€™s go,  
Letâ€™s go,  
Letâ€™sâ€¦

(Verse)

Dancing on the dance floor,  
Girl, is you I adore.  
Step off stage, I scream for more,  
My nated junk I love gold.  
Snap my fingers, make you mine,  
If not, I snap a second time,  
After that I guarantee you will be standing next to me.  
My baby, baby, baby,  
Youâ€™re sexy, drive me crazy,  
I feel like Iâ€™ve been blazing,  
Buffing purple hazing.  
Well girl, this love is natural,  
Forever unintouchable,  
So, what youâ€™re waiting for, what youâ€™re waiting for,  
What youâ€™re waiting for?

(Pre-Chorus)

Let's go  
What you're waiting for,  
What you're waiting for, what you're waiting for?  
Let's go  
What you're waiting for,  
What you're waiting for, what you're waiting for?  
Let's go  
What you're waiting for,  
What you're waiting for, what you're waiting for?  
What you're waiting for,  
What you're waiting for, what you're waiting for?

(Chorus)  
Let's get crazy, alright,  
Come on, let's go.  
Crazy, alright,  
Come on, let's go.  
Crazy, alright,  
Come on, let's go.  
Crazy, alright,  
Come on, let's go,  
Let's go,  
Let's go,  
Let's go...

(Verse)  
Love you like my boom-box,  
Make me wanna moon walk,  
No, this ain't no old love,  
Lamborghini coom touch.  
Mrs Maseratti, hop inside my Bugatti,  
Girl, imma make you mine,  
Hot damn you're fine, I want your body.  
I want, I want, I want you,  
Love me, damn, why don't you?  
Girl, this ain't no puppy love,  
Grown man shit, no youngster.  
I would love to touch you,  
I ain't trying to rush you,  
But what you're waiting for, what you're waiting for,  
What you're waiting for?

(Pre-Chorus)  
Let's go  
What you're waiting for,  
What you're waiting for, what you're waiting for?  
Let's go  
What you're waiting for,  
What you're waiting for, what you're waiting for?  
Let's go  
What you're waiting for,

What you're waiting for, what you're waiting for?  
What you're waiting for,  
What you're waiting for, what you're waiting for?

(Chorus)

Let's get crazy,  
Let's get crazy,  
Let's get crazy,  
Let's get crazy.  
Let's go,  
Let's go,  
Let's go.

(Outro)

All day, girl, I had you on my mind  
And now I'm thinking about maybe later  
Me and you can spend some time.  
And you can help me spend my money,  
Me and you could feel alive,  
And let's forget about the world,  
Cause baby, it's just you and I.
