Easy-easy-easy come easy go,
I don't want you no more
'Cause I been diggin', done dug myself a new hoe
Got me a hot mamma mia, mamma mia
Got me a hot mamma mia, mamma mia
Got me a hot mamma mia, mamma mia
Got me a me, a me a hot hot mamma mamma

You see that girl with the Gucci on?
We be d-doin' it on and on and on

That's my new boo, packin' all that body
Caliente hottie is all I got to say
She call me her black star, nigga Rico Suave
Love her like a porn star every single day

But she be actin' innocent like she ain't into sex
Any other way then missionary position
And but yo -

You see that girl with the Gucci on?
We been d-doin' it on and on

Uh huh uh huh I'm her new nigga now
Bank account bigger but that don't mean a thing 'cause
My new boo love the way I dig her out
Plus she got a job, makin' figures like me, but
We ain't really into that, spendin' cash eatin' at fancy
little restaurants
Motherfuck a restaurant, 'cause
We dine in, sip on wine, and get tip sonic and do sex
slow like

JB "Uh oh!"

Easy come easy go,
I don't want you no more
'Cause I been diggin', done dug myself a new hoe
Got me a hot mamma mia, mamma mia
Got me a hot mamma mia, mamma mia
Got me a hot mamma mia, mamma mia
Got me a me, a me a hot hot mamma mamma

You see that girl with the Gucci on?
We been d-doin' it on and on and on

That's my new boo, and I be her negro
She be packin' body is all I gotta say
She be lookin' hotter than them girls in the videos
You can holler at her but there ain't no way
She gon' pay you any mind, give you seconds of her
time
If you look close, you can see my dick on her mind!

So if you see a girl with the Gucci on
We be d-doin' it on and on and on

On and on and on and on, on and on
Lovely lovin' till the, till the break-break of dawn
Do it, do it till we, till we see the, see the sun
Six in the morning and we ain't-ain't done!

Baby we gon' keep it goin'
'Cause we both don't gotta work in the morning

So we'll sleep in
Till like three in
The afternoon, wake up, and do sex slow like

JB "Uh oh!"
Doin' it, doin' it, doin' it, and doin it
We do it, we do it
Do it, do it, d-do it, do it

Easy come easy go,
I don't want you no more
'Cause I been' diggin, done dug myself a new hoe
Got me a hot mamma mia, mamma mia
Got me a hot mamma mia, mamma mia
Got me a hot mamma mia, mamma mia
Got me a me a me a hot hot mamma mamma

You see that girl with the Gucci on?
We be d-doin' it on and on and on
