Beginning

All the birds of a feather  
Do what they love most of all  
We are the best at rhythm and laughter  
That's why we love carnival  
Possibly we can sing too  
Sun and beaches, they coo  
Dance to the music, passion and love  
Show us the best you can do  
Everyone here is on fire  
Get up and join in the fun  
Dance with a stranger, romance and danger  
Magic could happen for real in Rio  
All by itself, you can't see it coming  
You can't find it anywhere else  
It's real in Rio, know something else  
You can feel it happen, you can feel it all by yourself

Ending

All the birds of a feather  
Do what they love most of all  
Moon and the stars, sun and guitars  
That's why we love carnival  
Loving our life in the jungle  
Everything's wild and free  
Never alone 'cause this is our home  
Magic can happen for real in Rio  
All by itself, you can't see it coming  
You can't find it anywhere else  
I'm a kako wero kinga 5x  
Birds like me 'cause I'm a hot winga  
There's your hot winga  
Here everybody loves samba, I like the samba  
Rhythm you feel in your heart, I'm the samba master  
Beauty and love, what more could you want?  
Everything can be for real in Rio  
Here's something else  
You just feel it happening  
You won't find it anywhere else
