[Jennifer Lopez - Hook]

You can go hard or you can go home  
You can go hard or you can go home  
You can go harder or you can go home  
You can go harder or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go harder or you can go home  
You can go harder or you can go home  
Oh my goodness, this beat is so hard...  
Oh my goodness, this beat is so hard...

[will.i.am]

Imma go hard, hard to the core  
Hard like moth\* f\*c\*in liquid swordz  
Harder than worldwide stadium tours  
I am the future, delorian doors  
Will he survive? Never deceased  
I don't think I'mma ever rest in peace  
Imma kill the game, leave the rest in pieces  
Now everybody want my recipes  
tell a jealous chicken i don't know what the beef is  
I'm just making money for my grankids' nieces  
Imma work hard, that's my thesis  
This beat is a sh\*t, feces  
Pardon me ma'am, Imma go dumb  
Smart.I.am, I'm complicated, hard.I.am  
I end the beginning, then starting again

[Hook]

You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
Oh my goodness, this beat is so hard...  
Oh my goodness, this beat is so hard...

[will.i.am]

You can get that, or you can get this  
You can call a demon, Imma call Jesus  
You can get a curse, you can get a cross

You can go to work, or you can be the boss  
Imma be the owner, like Jerry Jones  
Imma go hard, like a motherf\*c\*in boner  
Imma make the beat put the people in a coma  
You can be a geek or be a rolling stoner  
I woke up in the morning,  
Hard like morning wood in the morning  
Woke up thinking about microphonin  
E.T. On the mic, phone the homeland  
I'm out like NASA, i'm way over here I dun passed you  
I get stacks of cash, you get cashews, I go hard,  
statues

[Hook]

You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home  
You can go hard or you can go home

[Bridge]

Now let me take this time to say  
I don't wanna lead you on  
You can go hard or you can go home  
Well I, I know there is a life to pay  
I don't wanna lead you on  
You can go hard or you can go home  
You can go hard...  
Wait a minute, Imma make it a little harder  
Imma make it a little harder  
Give it to you a little harder  
THIS IS HARD....

[Mick Jagger]

Hard like a rock n roll  
Time-bombs tickin', EXPLODE  
Baby this is dynamo.  
Better move back now  
It's bout to blow  
Hard like Geometry  
Trigonometry  
This is crazy  
Psychology  
Get it baby  
I'm bou to win  
Watch out now  
I'm going in  
You can go hard or you can go home  
You can go hard  
You can go hard or you can go home  
You can go hard

You can go hard or you can go home  
You can go hard  
You can go hard or you can go home  
You can go hard
