[Will]  
Uh  
Ha ha  
Yeah yeah yeah yeah  
Uh  
Ha ha  
Yo yo  
Uh  
Whoo  
A one two a one two

[Will]  
I-I-I woke up this morning  
Looked at ya picture  
Think about when I'm a get wit'cha  
Hit ya on the two-way simply to say I gotta see you  
today  
They say love is a gamble and if so, Baby, I'm the  
Belagio I can't lose  
And I guess that make you the mirage  
Wait you more exotic than that you like the Taj Mahal  
momma  
You a treasure to me life with you is a pleasure to me  
And I'm a make sure no man ever measure to me  
Like Run and D you and me are together forever  
I got an interview to do (whoo)  
Then to the plane, that too (whoo)  
Uh wear that black dress boo (whoo)  
Then close your eyes and open your heart and I'm  
gonna give you

[TRA-Knox]  
All my love  
A thousand kisses from you is never to much  
Never too much never too much never too much  
Uh huh uh huh  
And I just don't wanna stop  
Never too much never too much

[Jada]  
Woke up this morning to invite and couldn't wait to

write you  
I hit you back, then kissed three little kids that look just  
like you  
Love is magic, can't explain it and sometimes it just  
happens  
Saw your picture your so sily boy you keep my laughing  
We've got a photo shoot can't concentrate my mind is  
roamin'  
it's 4 o'clock and at 5:15 you are comin' home and  
You know my heart you know my thoughts so ruffneck  
yet you're tender  
The only person ever locked up safe was to surrender

[TRA-Knox]

All my love (yeah yeah yeah yeah yeah)  
A thousand kisses from you is never to much  
Never too much never too much never too much  
Uh huh uh huh  
Cause I just don't wanna stop  
Never too much never too much

[Will]

The way you walk wanna make me say

[TRA-Knox]

(yeah yeah yeah yeah yeah)

[Jada]

The way you let me make you wanna make me say

[TRA-Knox]

(yeah yeah yeah yeah yeah)

[Will]

Girl the way you look wanna make me say

[TRA-Knox]

(yeah yeah yeah yeah yeah)

[Jada]

Just you you are make me wana say

[TRA-Knox]

(yeah yeah yeah yeah yeah)

[Will]

Yo yo me and more it's like a Pichasso painted your  
aura

It's like Beehtoven composed your vocal tones

Rodin inspired hand sculpted you the desire of man

(uh)

Maya Angelou breathes inside you

Seeds of my wildest dreams fertilized in your eyes

Your compationate and your passion is how you ration  
it

That makes me swear you was trained how to take me  
there

Rarely I seen faith be fared

We got a stroke of grace

Remember you was countin me out?  
It's crazy we had times of doubt right?  
And since the dawn of time written history  
Better men better poet than me  
Have tried to set verse to the love they knew  
Dead to words judge what I do when I give you

[TRA-Knox]

All my love  
A thousand kisses from you is never to much  
Never too much never too much never too much  
Uh huh uh huh  
And I just don't wanna stop  
Never too much never too much

Big Will

[Jada:] Aww I love you sweetie  
[Jaden:] I love you too. All the way to the moon
