Come, come on  
Come on, come, come on  
MIB  
The black suits comin'  
The black suits comin'

I'm comin', I'm comin' I'm comin', I'm comin'  
I am the man in black, I'm back  
Breaking the back of the random attackers  
So can the flak, yo I'm dangerous  
I've been trained to bust  
When a stranger fuss try to endanger us

Praise me y'all, don't nothin' faze me y'all  
When they see me their gaze be all crazy y'all  
They say I'm a myth, trust me if somebody riff  
Out of the depth of your imagination appears Will Smith

Black suit, the black shades, the black shoes  
Black tie with the black attitude  
New style black Ray Bans, I'm stunnin' man  
New hotness pitch black six hundred man

Don't you understand?  
What you thought I wouldn't come again?  
Leave you hangin' without bringin' you the fun again  
Tanglin' with the alien scum again  
Mind your manners or the black suits runnin' in

Nod ya head  
(The black suits comin')  
Let me see you nod ya head, like this  
(The black suits comin')  
Let me see you nod ya head, like this  
(The black suits comin')  
Let me see you bop your head  
Nod your head, come on

Nod ya head  
(The black suits comin')  
Let me see you nod ya head, like this  
(The black suits comin')

Let me see you nod ya head, like this  
(The black suits comin')  
Nod ya head

Check it, yo it's this chick right  
Serlena, makin' me sick right  
Earth is worthless to her she be trippin' like  
Threatenin' me and my mens, tryin' to get the light  
Thinkin' she's Superwoman

But black Kryptonite finishin' whatever you start son  
The best lookin' crime fighter since myself in part one  
Better act right and play nice and sing along  
'Cuz K is back and he hype, what? Bring it on

Uhh, wanna brawl with me? Trying to brawl with me?  
Uhh, uhh, what? What?  
Yo, what? What? Then lemme see you just  
Come on, just come on and

Nod ya head, like this  
(The black suits comin')  
Let me see you nod ya head  
(The black suits comin')  
Let me see you nod ya head, like this  
(The black suits comin')  
Let me see you, nod ya head

Let me see you, nod ya head  
(The black suits comin')  
Let me see you, nod ya head  
Come on, come on, let me see you  
Nod ya head, like this  
(The black suits comin')  
Let me see you, nod ya head

Check it, check it, yo, case closed, erase my foes  
Chased away by the black suits, shades, and clothes  
We above the law, Feds can't touch me y'all  
Highly ranked black blank I.D. card, so disregard  
What you think you saw, put that phone down now  
Who you think you callin' huh?

One little flash then good night dear  
Just open your eyes honey look right here  
Thank you mission completed, I mean it we won't be  
defeated  
You seen it we did it even with weapons depleted

Galaxy defenders don't act like you don't remember  
Takin' contenders and provin' they only pretenders

Ladies and gentlemen, boys and girls  
The Men In Black is back to protect the world  
When the enemy is near the elite is here  
So have no fear just let me see you

Nod Ya Head  
(The black suit's comin')  
Come on, nod ya head, like this  
(The black suit's comin')  
Let me see you, nod ya head, like this  
(The black suit's comin')
