[Will Smith]

We come to make it hot for you (woo)

[Christina Vidal] (chorus)

When we get down with the black suits, baby

Just let it loose up in here; go crazy

The way your bouncin' and shakin'

I know you're feelin' me

So get up out ya seat

Come on and nod ya head with me (nod ya head)

When we get down with the black suits, baby

Just let it loose up in here; go crazy (let me see you nod
ya head)

The way your bouncin' and shakin'

I know you're feelin' me

So get up out ya seat

Come on and nod ya head with me

[Will Smith]

I am the man in black

I'm back

Breakin' the back of the random attackers

So can the flack.

Yo, I'm dangerous

I've been trained to bust

When the strange of us try to endanger us.

Praise me me ya'll

Don't nothin' phase me ya'll

When they see me they gaze be all crazy , ya'll

They say I'm a myth

Trust me when if somebody rip

Out of the depths of your imagination so here's Will
Smith.

Black suit, the black shades

The black shoes, black tie with the black attitude

New style black ray-bans, I'm stunnin' man.

New hot in this pitch black 600 man.

Don't you understand?

What you thought I wouldn't come again

Leave you hangin' without bringin' you the fun again.

Tanglin' with the alien scum again.

Mind your manners or the black suits runnin' in.

[Chorus]

(nod ya head!) When we get down with the black suits,

baby
Just let it loose up in here; go crazy (let me see you nod
ya head)
